Somewhere between staring at the screen and tilting my head the magic is done.

I'm Tomáš Sebastián Steinhlíbel, a digital designer born/raised in Bratislava, Slovakia. Currently, I'm looking for a skillful team to join and learn some new badass skills while creating functional design. Pleased to meet you already.

However through my design journey I've been taught to ignore the nagging self-doubt, shake it down and ship it when needed. Fortunately instead of grumbling I let the free flow happen.
